**THE VALUE  
TO THOSE WHO  
PRESERVE.**

---

# THE ORIGINS

## WHERE ALL BEGIN.

The wood harvest has its origins in Brazil, in the states of Pará and Rondônia.

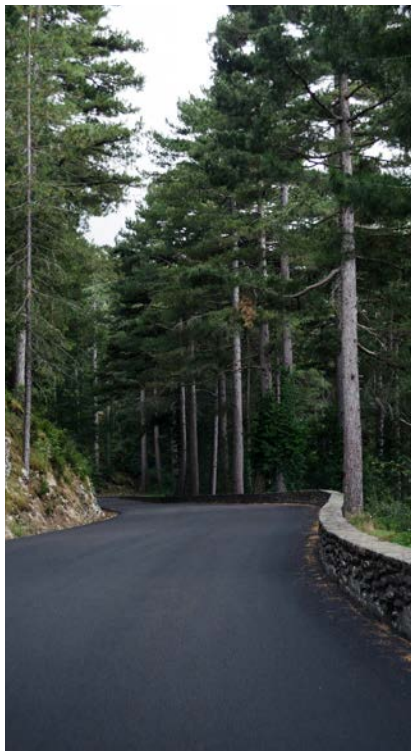

---

# THE QUALITY

## WHERE THE JOURNEY ENDS.

The longevity of the woods selected by us.

---

# THE JOURNEY

## THE JOURNEY STARTS NOW.

The shipping ports used are the closest to the wood processing units, in order to reduce as much as possible gas emissions from transport.

---

# THE ART

## WE SELECT THE BEST WOOD.

We have an experienced team, qualified and present at stages of process verification.
