

SOFLI®

Sofli is a brand that blends the centuries-old knowledge of upholstery with innovative product design. From this fusion of tradition and contemporaneity, a unique method emerges, through which technique and creativity coexist and produce truly one-of-a-kind pieces.

Each piece and each project that stems from this process reveals the excellence, refinement and careful methodology that are the hallmarks of our approach. We are committed to providing our clients with a standard of excellence based in the pillars of professionalism, quality and innovation, reflecting, not only technical mastery, but also an ongoing passion for exceeding expectations and delivering the exceptional.
