

SONMOVINGUI • FURNITURE

PORTUGAL'S FINEST
FURNITURE MANUFACTURERS

We manufacture custom furniture, from small businesses or designers to large carpentry and furniture supply projects, since 2005.

We're known both domestically and internationally for our production and adaptability, the quality of our products, and the spirit of mission we bring to each project. Sonmovingui invites you to get to know more about us and schedule a visit to our welcoming portuguese facilities.

TECHNOLOGY & KNOW-HOW

Rigor and Reliability

Our team oversees each project from the first draft to final assembly and after-sales service.

Innovation

We rely on cutting-edge technology, from planning and three-dimensional design to production, resulting from consistent investment over the years in the best the market has to offer for the best results and efficiency.

Sustainability

We are committed to becoming one of the first companies in the sector to be fully self-sustainable in the near future, with a strong focus on renewable energy and green technologies.

Experience

We are proud to have a multidisciplinary team specialized in the manufacture of all types

of furniture, at every stage, with decades of experience in the field.

Vision

To increasingly become a reference in the production of fine Portuguese furniture, bearing the seal of quality of the North.
