

CARDOSO LEAL
FURNITURE DESIGN

Founded in 1977, **Cardoso Leal & Filhos, Lda.** is a Portuguese company specialized in the manufacturing of wooden furniture, based in Paços de Ferreira, in one of Portugal's most renowned furniture industry regions. With over four decades of experience, the company is widely recognized for its commitment to quality, durability and innovation.

Our Mission is to design and produce furniture that blends functional design, fine materials and exceptional craftsmanship, creating timeless pieces that inspire and elevate living and working spaces.

Cardoso Leal produces a wide range of wooden furniture, serving both the residential and commercial sectors. Combining state-of-the-art technology with traditional know-how, always taking the environment into consideration, we deliver products that meet the highest quality standards and can be fully customized to client needs.
